

Requirement	Assignee	Estimated Work-Time (hrs)	Rationale
Verify project 1 requirments are met	James	0.5	The project seems mostly complete, so this will be just basic testing.
UML Diagrams	James	1	Not hard, just takes a bit of time.
AI Opponent	Joshua + Will	2	Logic is already decided, so just a matter of implementation.
Animations	Ky	3	Animations with ASCII is potentially quite difficult duue to nuance when printing.
Sound Effects	Trent	1	Simply playing sounds, quite simple.
Documentation + Wrap	James	2	This always takes longer than you think
